We have tried to make this the best Illinois Sale and we think that you will all agree that it is the best offering of cattle that we have ever had in the series of Illinois State Shorthorn Sales.

The offering is better in conformation, better in breeding, colors are better and the cattle are in better condition.

We wish to express our thanks to the consignors who have made the offering possible. They have given us the cattle that we asked for altho in many cases they would have liked to retain them.
